

PROFILE

Im from Saratov, Russian Federation. I was a lawyer with experience in contract law. It has always been my desire to work in IT. Now I am looking for an opportunity to change my eld of activity and nally come to what I wanted for a long time. Previously I studied the MS SQL by myself and was an intern in writing requests. Now I am studying to be a web developer, namely studying interaction of HTML, CSS and JavaScript. I am MASA program graduated in the eld of web development. As a result of the course, I gained the skills necessary for Front-end development.

ANGELINA NISSIM

I did my internship in SerVC, Herzlia, Israel. As part of the MASA program, FRONT END DEVELOPER

I studied React framework, during the internship I was taught a new framework for me - Angular on which the project was written and with which I worked throughout the entire internship.
